United States v. John Michael Tedesco, 19 Cr. 505 (PAC) Re:

Dear Judge Crotty:

The Government writes, with the consent of defense counsel, to request that the Court (i) adjourn the conference scheduled in this matter for January 16, 2020, at 4:30 p.m. until a date and time convenient for the Court in approximately 60 days, and (ii) exclude time under the Speedy Trial Act, pursuant to Title 18, United States Code, Section 3161(h)(1)(A), between now and the date of the next conference.

The Government makes these requests because defense counsel has submitted an application to the Government for a deferred prosecution, which requires additional information and review by a committee of supervisors from the U.S. Attorney's Office. The Government submits that the ends of justice served by an exclusion of time outweigh the best interests of the public and the defendant in a speedy trial, because such an exclusion will allow the parties to continue discussing and working towards a potential pre-trial resolution of this matter, and it will otherwise also allow the defendant and his counsel additional time to review the discovery and prepare for any trial in this matter. Defense counsel consents to these requests.

Respectfully submitted,

GEOFFREY S. BERMAN United States Attorney
